

Report of the jurisdiction of the State of Illinois

After a very tubulous year, , With State Education officer WB Scott Dueball stepping down due to not being able to Social Distance from Lady Genna, we appointed illustrious brother Todd E Creason who is apparently closer to retirement than previously expected since he is now taking a full course load (now Padre Creason) I have taken the helm of the Committee on Masonic Education but only after discovering that most of the committee was running for Junior Grand Deacon, which I bowed out of to assume the responsibilities of the committee.

With the Guidance of the Grand Master and the board of Directors we are switching gears in a effort to address the lack of knowledge of our History, Ritual, and develop a better grasp of our Constitution and by law. While also continuing to develop a online intender program.

Michael Overturf

Chairman of the Committee on Masonic Education for the Most Worshipful Grand lodge of Ancient Free and Accepted Mason of the State of Illinois.
